

ACCENDO
LIGHTING

General Description:

The Accendo Lighting wet location all LED exit and emergency polycarbonate combo series of exit signs is designed to be a cost effective and superior quality answer to your emergency and egress lighting needs. Specially designed for areas where moisture penetration is a high concern. The wet location exit features a five year warranty on the housing and can be ordered with custom lettering on the faces.

Features:

- Ultra bright, energy efficient, long life Red or Green LEDs.
- Dual 120/277V.
- Unique bi-color LED indicator light alerts occupant on battery condition (Green-normal, Red-check battery).
- 4.8V long life, maintenance free, rechargeable NiCd battery.
- Internal solid-state transfer switch automatically connects the internal battery to LED board and lampheads for minimum 90-minute emergency illumination.
- Fully automatic solid state, two rate charger initiates battery charging to recharge a discharged battery in 24 hours.
- Polycarbonate mounting canopy included for top or end mount.
- Universal knockout pattern on back plate for wall mount.
- 5VA flame retardant, UV stabilized polycarbonate in white, black or gray finish.
- High-impact resistant, UV stabilized polycarbonate clear lens.
- Corrosion resistant enclosure with engineering grade silicone gasket.
- Knockout's provided for conduit feed applications.
- EZ snap-out Chevron directional indicators.
- RC: Remote capacity up to 7.2 watts.
- SDT: Self-diagnostic feature performs monthly, biannual, and annual tests to ensure reliable operation and meets electrical and life safety codes.
- 2C: Dual circuit option on the AC-only unit enables it to be connected to two different (one acting as a back-up to the other) supplies at the same time.
- TP: Tamper-proof hardware helps discourage unauthorized access to the unit.
- Custom: Signs available with requested "special" wording. USA: Substantial transformation assembly in the U.S. complies with "Assembled in the USA" under the Buy American Act.

Warranty & Listings:

- Five year warranty on all electronics and housing. Battery prorated for five years.
- Meets UL924, NFPA 101 Life Safety Code, NEC, OSHA, Local and State Codes.
- UL listed for wet locations (-20°C – 50°C).
- Certified to CEC under title 20 regulations.
